June 2025

OFFICE CLOSURE

Dear Patients,

With a heavy heart, I must inform you that my general urology practice at 9100 N 2nd St, Suite 201 will be permanently closing as of June 30, 2025. After 33 years of serving this community, this decision has not come easily. While I had hoped for a smooth transition to ensure continuity of care, efforts to do so have unfortunately not come to fruition. Going forward, I have decided to focus on a smaller specialized vasectomy + vasectomy reversal practice.

It has been an honor to care for you during these many years. I am deeply grateful for your trust, support, and the relationships we've built together.

To ensure your ongoing care, I encourage you to begin the process of establishing a new general urologist as soon as possible. I will do everything I can to assist with the transfer of your medical records. Please contact our office before the closure date if you need help with this process. Our web site www.AzUrology.com will communicate information. And my email will remain active (drfishman.az@gmail.com)

Thank you again for the privilege of being your urologist.

Warmly and with gratitude,

James Fishman, M.D.
